WHEREAS, the mortgage foreclosure crisis has serious negative implications for all communities trying to manage the resulting vacant properties, increases in crime, homelessness, and other problems that stem from family financial crisis; and

WHEREAS, the City of Rockledge is challenged because of the recent wave of foreclosures and it has been determined that local codes must be adopted to mitigate the negative impact of foreclosures; and

WHEREAS, with foreclosure filing at an all time high, delinquencies on the rise, and 2 million adjustable rate mortgages scheduled to re-set this year; and

WHEREAS, relying on common law tradition and the statutory grant of general police power, local governments have a variety of powerful tools available to combat the negative impact foreclosures have on neighborhoods; and

WHEREAS, foreclosed homes quickly succumb to the forces of nature and the elements, grass and weeds grow long, swimming pools become stagnant creating public health hazards, landscaping dies from lack of attention or grows out of control, windows break, and exteriors suffer damage from normal wear-and-tear and vandalism, all of which has a negative impact, first on neighboring residences and then on entire neighborhoods; and

WHEREAS, property maintenance codes to regulate community standards for the interior and exterior condition of structures have been adopted; and

WHEREAS, registration requires the personal contact information of the owner or other responsible party who may be personally liable for any violation of codes when such person is or was the person owning or managing, controlling, or acting as agent in regard to buildings or premises; and

WHEREAS, the City of Rockledge finds that neighborhoods should be protected from becoming blighted through the lack of adequate maintenance and security of abandoned and vacant properties subject to mortgages that are in default; and

regarding the maintenance and security of the property; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKLEDGE, FLORIDA, AS FOLLOWS:

SECTION 1. The Rockledge Land Development Regulations are amended by adding Section 59.80, as follows:

SECTION 59.80. REGISTRATION OF MORTGAGED REAL PROPERTY

59.81. Purpose and intent.

It is the purpose and intent of this section to establish a process to limit and reduce the amount of deteriorating property located within the City, which property is in foreclosure, or about which a public notice of default has been filed, or where ownership has been transferred to lender or mortgagee by any legal method. It is further intended to establish a registration program as a mechanism to protect neighborhoods from becoming blighted through the lack of inadequate maintenance of abandoned and vacated properties subject to a mortgage or properties subject to mortgages that are in default.

59.82. Definitions.

The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them, except where the context clearly indicates a different meaning. Where the context will permit and no definitions are provided herein, the definitions provided in the Florida Building Code shall prevail.

Abandoned real property means any real property that is vacant and/or is under a public notice of default, a notice of mortgagee's sale, pending tax assessor's lien sale and/or properties that have been the subject of a foreclosure sale where title is retained by the mortgagee, and any properties transferred under a deed-in-lieu of foreclosure sale or a short sale.

Default means that the mortgagee files a foreclosure action or public notice of default on the mortgage. A mortgage shall be considered in default at such time as the mortgagee declares said mortgage to be in default either in writing, by recording a lis pendens, or by its actions, or commences foreclosure proceedings.

Evidence of vacancy means any condition that, on its own or combined with other conditions present, would lead a reasonable person to believe that the property is vacant. Such conditions may include, but not be limited to: overgrown

and/or dead vegetation; electricity, water or other utilities turned off; stagnant swimming pool; or statements by neighbors, passers-by, delivery agents or government agents, among other evidence.

Enforcement officer means any full time law enforcement officer, building official, fire inspector or code enforcement officer employed by the City.

Foreclosure means the judicial process by which a property, placed as security for a mortgage loan, after a judicial process, is to be sold at an auction to satisfy a debt upon which the borrower has defaulted.

Vacant means any building or structure that is not lawfully occupied or inhabited by human beings.

59.83. Applicability.

This section is related to abandoned and vacant property and to property subject to a mortgage that has been determined by the mortgagee to be in default.

59.84. Penalties.

Violations of this section shall be subject to enforcement by the Code Enforcement Board of the City, and under appropriate circumstances the City Nuisance Abatement Board.

59.85. Registration of real property mortgagee holding mortgages in default.

A. Any mortgagee who holds a mortgage on real property located within the City shall perform an inspection of the property upon default by the mortgagor or prior to the issuance of a notice of default. If the property is found to be vacant or shows evidence of vacancy, it shall be deemed vacant or abandoned and the mortgagee shall, within two (2) days of the inspection, register the property with the code enforcement office on forms provided by the office or its designee, even though the real property may not be vacant. If the mortgage on the property is in default, no later than ten (10) days after the date that a default is declared, the mortgagee shall register the property with the code enforcement office electronically via the internet. The code enforcement office shall provide the internet address to mortgagee upon request.

B. If the property is occupied but remains in default, it shall be inspected monthly by the mortgagee or mortgagee's designee.

C. Within ten (10) days of the date the mortgagee declares its mortgage to be in default, the mortgagee shall register the real property with the City's designee and, at the time of registration, shall designate in writing a local

property manager to inspect, maintain and secure the real property subject to the mortgage in default.

D. Registration. Registration pursuant to this section shall contain the name of the mortgagee, the mailing address, e-mail address, and telephone number of the mortgagee, and name of the local property manager and said person's address, e-mail address, and telephone number. The local property manager shall be responsible to inspect, secure and maintain the property. The property manager named in the registration shall be located within twenty (20) miles of Brevard County and available to be contacted by the City, Monday through Friday between 9:00 a.m. and 5:00 p.m., holidays and lunch hours excepted. The City shall charge a fee of One Hundred Fifty Dollars (\$150.00) for any registration or a modification of registration and it may assign and delegate the collection of such fee to an independent contractor.

E. This section shall also apply to properties that have been the subject of a foreclosure sale where title is transferred to the mortgagee as well as any properties transferred to the mortgagee under a deed in lieu of foreclosure.

F. Properties subject to this section shall remain under the annual registration requirement, inspection, security, and maintenance standards of this section as long as

they remain vacant or subject to having been declared by a mortgagee to be in default.

G. Any person or other legal entity that has registered a property under this section must report any change of information contained in the registration within ten (10) days of the change.

H. Failure of the mortgagee and/or property owner of record to properly register or to revise from time to time the registration to reflect a change of circumstances as required by this section is a violation of the codes of the City and may result in the issuance of a notice of violation by the code enforcement officer. Pursuant to a finding and determination by the Code Enforcement Board or the Nuisance Abatement Board that any property is in violation of the codes of the City, the City may take the necessary action to ensure compliance with its codes and place a lien(s) on the property for the cost of the work performed to benefit the property and to bring it into compliance, which lien may be assigned to either the entity that performs the work or arranges to have the work performed.

Sec. 59.86. Maintenance requirements.

A. Properties subject to this section shall be kept free of weeds, overgrown brush, dead vegetation, trash, junk, debris, building materials, any accumulation of newspapers,

circulars, flyers, notices, except those required by federal, state or local law, discarded personal items including, but not limited to, furniture, clothing, large and small appliances, or any other items that give the appearance that the property is abandoned or not being properly maintained. Weeds, grass, overgrown brush or dead vegetation over twelve inches (12") tall are prohibited.

B. The property shall be maintained free of graffiti or similar markings by removal or painting over with an exterior grade paint that matches the color of the exterior structure.

C. Yards shall be landscaped and maintained pursuant to the standards set forth in the code.

1. Landscaping shall include, but not be limited to, grass, ground cover, bushes, shrubs, hedges or similar plantings, decorative rock or bark or artificial turf/sod designed specifically for residential, commercial or industrial installation, as applicable. Landscaping shall not include weeds, gravel, broken concrete, asphalt or similar material.

2. Maintenance shall include, but not be limited to, watering, irrigation, cutting and mowing of required landscape and removal of all trimmings and weeds.

D. Pools and spas shall be kept in working order so that pool and spa water remains free and clear of pollutants and debris. Pools and spas shall comply with the enclosure requirements of the City's code and the Florida Building Code.

E. Failure of the mortgagee and/or property owner of record to properly maintain the property is a violation of the ordinances of the City of Rockledge and may result in the issuance of a notice of violation by the code enforcement officer. Pursuant to a finding and determination by the Code Enforcement Board, or the Nuisance Abatement Board, the City may take the necessary action to ensure compliance with its ordinances and place a lien/s on the property and assign it as provided herein.

Sec. 59.87. Security requirements.

A. Properties subject to this section shall be maintained in a secure manner so as not to be accessible to unauthorized persons.

B. A "secure manner" shall include, but not be limited to, the closure and locking of windows, doors, gates and other openings of such size that may allow a child or adult to access the interior of the property and/or structure. Broken windows shall be secured by reglazing or boarding.

C. If a mortgage on the property is in default and the property has become vacant or abandoned, a local property

manager shall be designated by the mortgagee to perform the work necessary to bring the property into compliance with the code of ordinances and the local property manager must perform weekly inspections to verify compliance with the requirements of this section, and any other applicable laws or ordinances of the City.

D. When the property becomes vacant or abandoned, it shall be posted with the name, address and twenty-four (24) hour contact telephone number of the local property manager. The posting shall be no less than 18 inches x 24 inches, and shall be of a font that is legible from a distance of 45 feet. The posting shall contain the following language:

24 HR. PHONE NUMBER:

E. The posting shall be placed on the interior of a window facing the street to the front of the property so that it is visible from the street, or secured to the exterior of the building/structure facing the street to the front of the property so that it is visible from the street or if no such area exists, on a stake of sufficient size to support the posting in a location that is at all times visible from the street to the front of the property but not readily accessible to vandals. Exterior posting shall be constructed of and

printed with weather-resistant materials.

F. Failure of the mortgagee and/or property owner of record to properly inspect and secure the property, and post and maintain the signage noted in this section, is a violation of this section and shall result in the issuance of a Notice of Violation by a code enforcement officer. Pursuant to a finding and determination by the Code Enforcement Board or the Nuisance Abatement Board, the City may take the necessary action to ensure compliance with this section, and place a lien(s) on the property and assign it as provided herein.

Sec. 59.88. Opposing, obstructing enforcement officer; penalty.

Whoever opposes, obstructs or resists any enforcement officer, or any person authorized by the City, in the discharge of duties as provided in this section, may, upon conviction, be sanctioned as provided in the Rockledge Code of Ordinances or Chapter 162, Florida Statutes.

Sec. 59.89. Immunity of enforcement officer.

Any enforcement officer, or any person authorized by the City to enforce this section, shall be immune from prosecution, civil or criminal, for reasonable, good faith entry or trespass upon real property while in the discharge of duties imposed by this section.

Sec. 59.90. Additional authority.

The code enforcement officer shall have authority to require the mortgagee and/or owner of record of any property affected by this section to require an on-site security guard. Failure to comply with the terms of this section shall constitute a continuing public nuisance. The City shall have the authority to promptly abate the public nuisance, in whole or in part, at the expense of the mortgagee or other responsible party.

Sec. 59.91. Supplemental Provisions.

Nothing contained in this section shall prohibit the City from enforcing its codes by any other means, including, but not limited to, injunction, abatement or as otherwise provided by code.

SECTION 2. The provisions of this Ordinance are severable, and if any section, sentence, clause, or phrase hereof is for any reason held to be unconstitutional, invalid, or ineffective, such holding shall not affect the validity of the remaining portions of this Ordinance, it being expressly declared to be the City Council's intent that it would have passed the valid portions of this Ordinance without the inclusion therein of any invalid portion or portions.

SECTION 3. This Ordinance shall become effective ten (10) days following its adoption and signed by the Chairman of
